

*Walk to End Lupus Now*TM A to Z Fundraising Ideas!

We encourage each *Walk to End Lupus Now* Team Captain to be creative with their fundraising efforts. Here are a few event ideas that can help boost your fundraising efforts leading up to the Walk!

A

ASK: The easiest way to raise money is to ask your friends, neighbors, relatives and colleagues to make a donation to the *Walk to End Lupus Now* event, which you are taking part in. Explain your commitment and why you are involved —maybe because of a loved one battling lupus.

ART SALES: Have preschool and elementary students produce great art and have a show. Parents and friends buy back their budding artists' masterpieces.

AUCTIONS: Many teams are putting together live or silent auctions. Teams can make a whole event out of it- work with an auctioneer who will donate his/her time and hold a live auction. A team in MA held a silent auction during their family reunion. Some teams are putting together sports auctions, which are very popular. Collectibles are hot! Auction off the boss—have the boss or department head as your assistant for the day at work.

AWARD SHOW PARTY: Are you a movie, TV, music or theater buff? Invite your friends over to enjoy treats while watching the Emmy Awards®, Grammy Awards®, Tony Awards®, or Academy Awards® with a suggested donation to attend.

B

BABYSIT: Do extra babysitting and give your pay (or at least part of it) to your team or babysit as a team during a community event.

BAKE SALES: Hold a bake sale (focus on healthy treats!) at work or at a busy place- a bank branch held a bake sale once a week for several months. Or have a no-bake sale where co-workers pay so they don't have to bake goodies.

BALLOON DAY: This is good for students. Sell a Walk balloon with a message attached for \$2 each. The students take orders in advance and then deliver the balloon messages at a later date.

WALK TO END LUPUS NOW™

BANK FOR A YEAR: Get everyone on your team to put in \$2 each week beginning the week after this year's Walk. In 50 weeks each team member will have his or her \$100. Or try this – 50 cents every day, in 50 weeks you will have collected, from yourself, \$175 – add just two more friends giving you 50 cents each per day and you will now have a total of \$525 in 50 weeks.

BINGO: Host a Bingo night-an easy game to play at any age! Your community recreation center, senior cent, or school might already host a bingo night, so do your research and ask to collaborate to host a bingo night to fight lupus.

BIRTHDAY PARTY WITH A PURPOSE: Individuals have had birthday parties and on the invitation, they state in lieu of gifts, please bring a check made out to *Walk to End Lupus Now*.

BLOCK PARTY: Put together an old-fashioned block party in a parking lot, or close off a neighborhood street (with permission). Have a band or DJ donate a few hours, have a BBQ, do face painting, offer hay rides etc. Have fun and raise money for your team.

BOOK SALES: Do it in conjunction with a publishing house that will donate books or have everyone on your team bring in good condition used paperbacks or hard cover books. Set up a table to sell your books. Get permission to have your table set up in a local mall or plaza, or if you work for a large employer, set it up in the break or lunch room.

BOSS FOR THE DAY: Allow people to bid on being boss for the day-high bid wins.
Bounce-a-thon: Elementary students take a collection envelope home to collect pledges for bouncing a basketball for half an hour. Each class in the school takes turns gathering in the school's front hall throughout the day to bounce their basketballs.

BOWL-A-THON: Some student teams have been holding bowl-a-thons, where they get pledges per pin they knock down.

BOWLING CHANCE: \$1 gives you the chance to throw 2 balls (toy bowling set). If you strike your name is entered into a drawing 2 times. If you throw a spare with your second ball your name is entered into the drawing once. Team works together to solicit a nice prize for the drawing. This one could be held on site.

WALK TO END LUPUS NOW™

BREAKFAST WITH A VIP: Put together a breakfast with Santa or the Easter bunny or other favorite kids' character. Work with a local restaurant or your team can do it themselves at a hall or club. Have someone in costume and sell tickets, also have pictures taken. You could also use this as breakfast with the mayor or other high-profile person.

BROWN BAG LUNCH DAY: Everyone brings in their own lunch and donates the money they would have spent to the Walkfund.

C

CANDLE SALES: Sell scented votive candles to fellow employees and friends.

CANDY BAR SALES: Sell candy bars at work, or have someone at a business let you set up a little display box (beauty shops, store check-out counters, etc.). You can purchase box kits from wholesale warehouses such as Sam's or ask a candy store to donate them.

CAR WASHES: This is another good idea for students as well as adults--especially in the spring when everyone wants the mud off of their cars. Try saying "donations accepted" instead of charging a set price (people tend to give more).

CAR SMASH: Secure an old car and write in large bold letters LUPUS across the car. For a dollar donation you get to "smash lupus" three times with a sledgehammer.

CHALLENGES: Challenge another team to raise more money than you. Some radio stations may gladly put your challenge on the radio.

CHANGE MAKES A LOT OF CENTS: Bank and credit union teams post this message at the teller line – Donate the cents from your deposit to the (name of bank) Walk Team and help solve the cruel mystery of lupus. If your check total is for \$187.67 your donation is just 67 cents.

Chili Cook Off: Host a hot-hot-hot chili cook off.

CHRISTMAS PARTY: Play carols, serve cookies, decorate a tree, have pictures with Santa and charge admission – no matter what time of year it is!

WALK TO END LUPUS NOW™

CHRISTMAS TREE/WREATHS: Ask a local retailer to donate \$1 for every tree and wreath sold to support your Walk team. Or make your own wreaths as a team- use princess pine you find in the woods.

COIN DRIVE: This is especially good for students to do at schools- have everyone give them their change in the lunchroom. Set up a coin jar at the beginning of the school year and see how it grows. A college put a twist on the coin drive, which would also work at companies with different departments or at a bank with the different tellers etc. They sent out a flyer explaining: JOIN THE PENNY WARS- drop off your change in the jars at the front of your residence hall. The residence hall with the most points wins a pizza party for its residents. Pennies are worth positive points; silver coins and cash are worth negative points. Sabotage the other residence halls by dropping off your silver coins into their jars! Spare some change for lupus research.

COIN TOSS: Get permission from the local mall to collect all the coins tossed into the fountain for a designated time period. Be sure to have signs state that the coins will be donated to the Walk.

COMEDY CLUB: Ask a local comedy club to host an evening in support of the Walk and invite all teams to sell tickets. The teams would get the credit for the tickets they sold.

CONCESSION STANDS: Set up a concession stand or booth at a community event during the year.

COOKBOOKS: Collect recipes from employees and have them published and sell them. Can be produced for approximately \$2 each and sold for \$7-\$8. You need to be sure that all recipes are healthy and follow nutritional guidelines.

CRAFT FAIRS: Have your team set up a craft table at a craft fair or festival.

CRAFTS: In a holiday mood? Craft tree ornaments, stockings or decoration and sell them.

CUT-A-THON: Have a beauty salon or vocational school hold a cut-a-thon for you.

CUTEST BABY: Have a Cutest Team Baby Contest, either on site or beforehand at your place of work. Place a photo of each team member as a baby on the bulletin board or on a display board. People donate \$1 per vote. You decide on the appropriate reward.
